

Drive Protection

Repair Service Contract

Limitations of Coverage

The information in this brochure is intended to provide only an outline of the various plans, exclusions and limitations of your Drive Protection Repair Service Contract. For exact coverage, exclusions and limitations, please review the Drive Protection Repair Service Contract.

Drive on a road without roadblocks.

As your vehicle gets older, the risk and cost of mechanical breakdown increases — often after the factory warranty expires.

Each year, more sophisticated technology is built into our cars: from collision-avoidance technology to advanced keyless entry and remote starting systems. These advances make driving easier and safer. They also require more complex and costly repairs. And, once your warranty ends, you'll need to pay the costs out of pocket. But you can avoid the rising cost of repairs by protecting your car with Drive Protection Repair Service Contract.

With three levels of uninterrupted coverage, you can add valuable benefits to keep your life moving forward at a price that fits your budget. Drive protection helps you avoid potential roadblocks with rental reimbursement and 24/7 emergency roadside assistance so you can keep your car on the road.

Risk After Factory Warranty Ends

Your manufacturer's warranty covers virtually every part in your vehicle. But, once it ends, your risk increases.

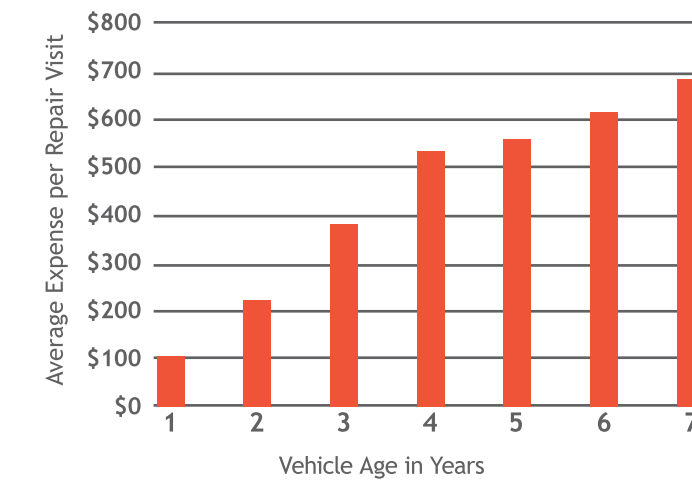

Example Repair Costs¹

Average Expense Per Repair Visit²

We offer coverage plans that keep your vehicle protected and your budget on track.

² These statements are based on the repair records of Automotive Warranty Services, Inc. and its affiliated companies' customers as of June 2015. Your experience may be different. Information based on original compilation date and not the date of this brochure.

Features

Nationwide Protection

Coverage is effective anywhere within the continental U.S., Alaska, Hawaii and Canada. You're covered even if you're traveling or you move to a different city.

Maximum Benefits

There's no per-visit limit and no yearly limit on the number of claims that can be made.

Affordable and Convenient

This economical coverage can be included in your monthly loan or lease payment.

Your Choice of Coverages

You have a wide choice of protection that you tailor to your needs by choosing the years, miles, deductible and coverage plans that best suit your vehicle and driving needs.

Emergency Roadside Assistance

"Sign and drive" service up to \$100 per occurrence for towing; flat tire assistance; fuel, oil, fluid and water delivery service; lock-out assistance; and battery assistance.

Exclusions and limitations apply.

In the event of a breakdown occurring more than 100 miles from home, you'll get reimbursed for emergency lodging, meals and transportation expenses up to \$200 daily for a maximum of 5 days if your vehicle needs to be held overnight by a repair facility.

Rental Reimbursement

Pays for a replacement vehicle while your vehicle is held for covered repairs.

Coverage Overview Powertrain

Gold

Platinum

Assembly Powertrain Gold Platinum

Engine

Transmission

Front-wheel drive

Rear-wheel drive

ALL OF THE ABOVE, PLUS:

Steering

Front suspension

Brakes

Seals and gaskets

Electrical

Air conditioning

- Anti-lock brake system
- Power window motor(s) and power regulators
- Power door lock actuator(s)
- And much more ...

ALL OF THE ABOVE, PLUS:

- All on-board computers
- Airbag systems
- DVD/TV/VCR systems*
- Radio/tape/CD player*
- Anti-theft system*
- And much more ...

THE POWERTRAIN PLAN INCLUDES:*

ENGINE

Gasoline Engine

All internal lubricated parts including but not limited to: (Balance shafts, Cam bearings, Cam tower, Camshaft, Connecting rods, Crankshaft, Cylinder block, Cylinder head, Harmonic balancer and retainer bolt, Lifters, Oil filter adapter/housing, Oil pump and pressure relief valve, Piston rings, Pistons, Pushrods, Rocker arms (cam followers), Rod and main bearings, Timing belt and pulleys, Timing belt tensioner, Timing chain housing (cover), Timing chain and sprockets, Valve springs, Valves and guides, Wrist pins). Crankshaft pulley, Dipstick and tube, Engine mounts, Engine oil cooler hoses, Engine oil sending unit, Expansion (freeze) plugs, Flywheel, Fuel supply pump, Intake and exhaust manifolds, Oil pan, Oil pump housing, Temperature sending unit, Thermostat and housing, Vacuum pump, Valve covers, Water pump. Fasteners for the components within this assembly

Turbocharged/Supercharged/Rotary/Diesel/Enhanced Engines

All of the above listed parts or equivalent plus: Bypass valve, Clutch and pulley, Compressor, Hard lines, Injection pump, Intercooler, Lines and nozzles, Supercharger, Turbocharger, Waste gate controller

TRANSMISSION

Automatic

All internal lubricated parts including but not limited to: (Bands, Bearings, Bushings, Clutches, Drums, Gear sets, Governor, Main shaft, Oil pump, Sealing rings, Solenoids, Torque converter, Transmission case, Valve body). Continuously variable transmission (CVT) and all internal components, Cooler, Cooler hoses and hard lines, Dipstick and tube, Electronic shift control unit, Flex plate and ring gear, Shift lever knob, Shift linkage and cables, Throttle valve cable, Transmission mounts, Transmission pan, Vacuum modulator. Fasteners for the components within this assembly

Standard

All internal lubricated parts including but not limited to: (Bearings, Bushings, Gear sets, Main shaft, Shift forks, Synchronizers, Transmission case). Clutch master cylinder, Clutch slave cylinder, Shift cable, Shift lever knob, Transmission mounts. Fasteners for the components within this assembly

Transfer Case (4X4 Vehicles)

All internal lubricated parts including but not limited to: (Bearings, Bushings, Chain and sprockets, Gear sets, Main shaft, Transfer case). Electronic and vacuum engagement components, Mounts, Transfer case control unit. Fasteners for the components within this assembly

FRONT-WHEEL DRIVE

All internal parts including but not limited to: (Axle shafts, Bearings, Bushings, Carrier case, Drive axle housing, Gear sets, Limited slip clutch pack). Drive shaft support, Front hub bearings, Locking hub assemblies (4X4), Rear hub bearings, Universal joints. Fasteners for the components within this assembly

REAR-WHEEL DRIVE

All internal lubricated parts including but not limited to: (Axle shafts, Bearings, Bushings, Carrier case, Drive axle housing, Gear sets, Limited slip clutch pack). Drive shaft support, Front hub bearings, Propeller shafts, Rear hub bearings, Universal joints. Fasteners for the components within this assembly

HYBRID/ELECTRIC VEHICLE COMPONENTS

Electric coolant pump, Electric oil pump, Electric motor/generator(s) and all internal components, Inverter/converter/transformer units and all internal components, Inverter/converter/transformer units cover, Power split device and all internal components, Reduction/reducer box and all internal components. Fasteners for the components within this assembly

STEERING

All internal lubricated parts including but not limited to: (Bearings, Bushings, Housing/case, Rack and pinion equipped valve assembly, Sealing rings, Sector shaft). Center link/drag link, Cooler and hard lines, Coupling, Electric power steering motor, Electric steering rack, gear and motor, Fluid reservoir, Idler arm, Inner rod ends and bellows boots, Pitman arm, Power cylinder assembly, Power steering pump and pulley, Pressure and return hoses, Rack mounts and cushions, Speed sensor or steering gear equipped pitman shaft and valve assembly, Steering main and intermediate shafts, Tie rods. Fasteners for the components within this assembly. (Does not include "rear wheel steering" components.)

FRONT AND REAR SUSPENSION

Bump stop cushions, Control arm shafts, King pins, Stabilizer linkage including mounts and bushings, Stabilizer shaft, Steering knuckle (spindle), Strut rods and bushings, Torsion bar mounts and bushings, Upper and lower ball joints including dust boots, Upper and lower control arms, Wheel bearings and seals. Fasteners for the components within this assembly

BRAKES

Anti-lock brake system, Anti-lock brake system module and sensors, Assist booster, Backing plates, Brake pedal shaft, Clips and retainers, Combination valve, Disc brake calipers (and rear caliper actuators), Electrohydraulic brake system, Hard lines and fittings, Master cylinder, Parking brake linkage and cables, Self-adjusters, Springs, Wheel cylinders. Fasteners for the components within this assembly

FUEL INJECTION

Electronic fuel injection system (including all input/sensors & output/control units, except EGR valve, related to the fuel injection system), Idle speed or automatic idle speed assemblies, Injectors, Powertrain control module (PCM)

ELECTRICAL

Alternator, Convertible top motor, Digital and analog instrument display(s), Distributor and coil, Electronic ignition module, Electronic rear view mirror motor(s), Engine management control unit, External LED assemblies, Front and rear windshield wiper motors and delay controller, Headlight door motor(s), Heated back glass, High intensity discharge lamp assemblies, Horn assembly, Knock sensor, Low coolant sensor, Low fuel sensor, Low oil sensor, Manually operated switches (specifically turn signal, headlight, dimmer, and wiper switches), Mechanically actuated switches (ignition, brake light and neutral safety switch), Oxygen sensor, Power antenna motor, Power door lock actuator(s), Power door lock clips, Power seat motor(s) and transmission(s), Power sun roof motor, Power window motor(s) and power regulator(s), Starter button, Starter motor and drive, Starter solenoid, Tire pressure monitoring system, Voltage regulator, Windshield wiper washer pump(s), Wiring harnesses

AIR CONDITIONING

Accumulator, Clutch and pulley, Compressor and mounting brackets, Condenser, Drier, Evaporator, Heater-A/C blower motor, High/low pressure cutoff switches, High/low pressure hoses, Orifice tube, Pressure cycling switch, Temperature control head, Temperature control programmer, Thermostat, Fasteners for the components within this assembly and Freon-refrigerant if necessary in conjunction with the repair of the components within this assembly

HYBRID/ELECTRIC VEHICLE COMPONENTS

Battery charge controller, Controller/electronic throttle control system, Drive motor dampener, Electric A/C compressor, Hydraulic or electric regenerative braking system, Junction block, Main battery cable, Motor/generator belt tensioner, Onboard battery charging system, Onboard computer system including all relays, Sensors, ECU & ECM (electronic control units/electronic control modules), Power switch/button, Three-phase high voltage cables, Voltage inverter reservoir

SEALS AND GASKETS

All seals and gaskets on the assemblies listed above

COOLING

Engine oil cooler, Heater control valve, Heater core assembly, Radiator, Radiator fan and clutch, Radiator fan motor including fan blade, Radiator fan relay, Temperature sensor and relay

FRONT- AND REAR-WHEEL

Constant velocity joints including boots and bands

FUEL DELIVERY

Fuel tank and hard lines, Fuel tank sending unit

SAFETY

Airbag system, Seatbelts

Platinum coverage is our elite plan specifically designed to provide unparalleled coverage – especially for vehicles that are well equipped. The Platinum plan provides you with the most comprehensive coverage available and, yet, it's easy to understand. Platinum is exclusionary coverage, which simply means that, if a component is not listed below under "What's Not Covered (Exclusions)," then it's covered. It's as simple as that.

The list of exclusions is minimal and consists mostly of maintenance-related items. With the ever-growing complexity of today's automobiles, you'll find that Platinum provides comprehensive coverage for your vehicle and protects you from unexpected and expensive auto repair bills. Platinum coverage is the ultimate choice for your peace of mind.

EXAMPLES OF PLATINUM COVERAGE COMPONENTS INCLUDE:

- All on-board computers, sensors and relays
- Compact disc player[†]
- Radio assembly, speaker system and antenna[†]
- Anti-theft system[†]
- TV, VCR and DVD systems[†]
- Navigational system[†]
- Air bag assemblies and sensors
- Frame and actuating mechanism
- Convertible top frame and latches
- Emission components (after federal emission warranty has expired)
- Heated windshield
- Steering wheel and integrated controls
- MacPherson struts
- Adjustable shock support
- Rear suspension control arms and bushings
- Torsion bars, coil springs, and leaf springs
- Tire pressure sensors
- All rearview mirrors and remote cable actuating mechanisms
- Manual and power retracting seat belt assemblies
- All rear-wheel steering system
- Anti-theft systems[†]
- Radio/tape/CD player[†]

And much, much more!

[†]Factory-installed

What's Not Covered (Exclusions)**

Maintenance and parts not covered:

1. The maintenance services and parts described under Maintenance Requirements as shown in The Repair Service Contract or in the manufacturer's maintenance schedule for your vehicle
2. Other normal maintenance services and parts, including engine tune-up (includes spark plugs, glow plugs, ignition wires, distributor cap and rotor), carburetor, batteries, filters, lubricants or fluids, air conditioning refrigerant, engine coolant, all hoses and belts (not specifically listed), wiper blades, brake pads and shoes, brake rotors and drums, suspension alignment, constant velocity boots, tires, wheel covers, wheel rims, wheels, wheel balancing, shock absorbers, exhaust system, catalytic converter, friction clutch disc, pressure plate, and clutch throw-out bearing
3. Glass, glass framework, fastening adhesives, sealed beam head lamps, light bulbs, lenses, trim, moldings, bright metal, upholstery, vinyl and convertible tops, paint, sheet metal, bumpers, alignment of body parts, flexible body parts, door panels, body panels, structural framework, structural welds, hinges, door handles, and removable hardtop assemblies
4. Aftermarket accessories or equipment, and components and systems not installed by the manufacturer (including, but not limited to, anti-theft systems, radar detectors, CB radios, radio/speaker equipment, cruise control, sunroof, solar-powered devices, telephones, TV/VCR/DVD, and related components and appliances)

**Additional exclusions apply, see Mechanical Repair Service Contract for details.
