ASSURANT®

Customer Notice - Your Policy and “Brexit”

Assurant issues insurance policies across Europe through UK insurers - Assurant General Insurance Limited and Assurant Life Limited.

We are fully committed to providing clients and policyholders in Europe with our full suite of innovative products and to continuing to carry out business in all the countries we operate in now.

Our primary aim in relation to Brexit has always been to ensure a seamless transition and to offer certainty and continuity of service for all our customers, and we are currently working to establish new insurance companies in the Netherlands to underwrite policies going forward.

We will continue to closely monitor the status of the Brexit negotiations and any potential implementation period.

Our commitment remains to protect what matters most to our customers.
