

The Performance Institute

Flexible F&I Training and Support

Our team is your team.

We're there for you with comprehensive, career-building support year after year. A strong team is the best way to keep your business growing. The Assurant Performance Institute helps you find the right training mix so every member of your team can reach their highest potential. Regular performance evaluations set benchmarks and provide ongoing feedback to ensure they stay on track. Think of the Assurant Performance Institute as part of your team. And get the training you need, just the way you want it.

Online Training

Keep your team focused and your costs down with our innovative online training program. Highly interactive content and feedback ensures engagement.

- Learning management system
- Interactive video production
- Performance reports

On-Site Training

Provide in-person training at your facility or ours. We'll train your instructors or provide our own highly experienced trainers. It's your call.

- Guest facilitators
- Train-the-trainer
- Training center

Course Development

Tailor our core curriculum to your needs and rebrand it as your own. Or rely on our team to assess your needs and develop the right content to reach your objectives.

- Custom-branded courses
- Course development
- Workbooks and training guides
