How it Works

- 1** We look at the medications you take and **find other options that may save you money.**
- 2** Your online account shows which **lower-cost prescriptions are available** and lets you compare prices.
- 3** **Switch to a lower-cost option with ease.** We'll handle everything with your doctor and pharmacy.
- 4** **We'll contact you** anytime you're spending too much on prescriptions.

Your account is ready to go.

Visit **myrxss.com** to activate it today and start saving.

How Can You Save?

We find all the medication options for your conditions. You and your doctor decide what's best for your health and budget. Here are just a few ways you might be able to save money:

- Generic forms of name-brand drugs
- Better prices at different pharmacies or mail-order
- Equally effective medications that treat the same condition but cost less than your current prescription

Real People. Real Savings.

“My new medication works just the same, and **my savings (\$1,397 per fill) wouldn't have been possible without your help.** Thanks, Rx Savings Solutions.”
